Building Safety Division
Development Services Department

WELCOME TO THE IVR INSPECTION LINE - 623-932-3494

In an ongoing commitment to improve customer service, the City of Goodyear Development Services Building Safety Division has installed an Interactive Voice Response System (IVR) for you to schedule building inspections and obtain inspection history – 24 hours a day, 7 days a week! Inspections can be scheduled three days in advance.

The Interactive Voice Response System (IVR) Inspection Line allows you to:

- Schedule inspections
- Cancel inspections
- Retrieve inspection results
- Receive faxed inspection results

Just call the IVR at 623-932-3494. You will be prompted through the entire process.

YOU CAN ALSO SCHEDULE AN INSPECTION ONLINE

Visit our website www.goodyearaz.gov. Go to **Business/Business Services**, then select either **Building Inspection Requests** or **Building Permit Online Tracking**. Click the link **Track a Building Permit**, which takes you to the actual online system.

To schedule or cancel an inspection, click on **Schedule/Cancel Inspections** and enter your application number.

To track a permit, click **Select Permit** and enter the application number.

ATTENTION HOMEOWNERS:

Homeowners may schedule inspections by calling the Building Safety Division, Development Services Department, directly at 623-932-3004.

The inspector will arrive within two hours of the scheduled appointment time. This convenient option enables homeowners to schedule their day without waiting all day for an inspector.

BEFORE CALLING, YOU WILL NEED:

- A touch-tone telephone
- A site-specific Permit Number
- An Inspection Code to schedule an inspection. Choose from the codes listed on the back page of this brochure. Please note that some codes are subject to change.

CALL THE IVR LINE - 623-932-3494.

THEN CHOOSE FROM THE FOLLOWING OPTIONS:

- Press (1) to schedule an inspection
- Press (2) to cancel an inspection
- Press (3) to hear inspection results
- Press (4) to have an inspection history faxed to you
- Press (*) for instructions on how to use this system
- Press (#) to end the call, or hang up

The IVR system will prompt you through each step during your call. You may perform multiple transactions during each call.

At the end of the call, you will be issued a confirmation number. We recommend you keep a record of your confirmation numbers and associated transactions, in case they are needed for future reference.

1 OPTION 1 SCHEDULE AN INSPECTION

- Enter the Permit Number, followed by the # key. The system will confirm this permit by speaking back the site address.
- After hearing the confirmation, enter the Inspection Code from the list on the back page of this brochure.
- Choose the Inspection Date. The cut-off time is 4 p.m. for an inspection on the following business day.

AFTER THE INSPECTION IS SCHEDULED, YOU CAN:

- Request another inspection on the same permit or on a different permit.
- Get a Confirmation Number and hang up. Use this confirmation number when inquiring about this telephone request.
- Return to the Main Menu.
- Repeat the menu.

2 OPTION 2 CANCEL AN INSPECTION (PRIOR TO 4 PM):

Enter the Permit Number, followed by the # key, then follow the prompts. Make all cancellations prior to 4 p.m.

To cancel an inspection after 4 p.m., please call 623-932-3004 prior to 7:30 a.m. Leave the cancellations on the message line. After 7:30 a.m., please call 623-932-3004 and speak with a Development Services technician.

AFTER CANCELLING THE INSPECTION, YOU CAN:

- Cancel another inspection.
- Get a Confirmation Number and hang up. Use this number when inquiring about this telephone request.
- Return to the Main Menu.

3 OPTION 3 OBTAIN INSPECTION RESULTS:

- Enter the Permit Number, followed by the # key. The system will play the most recent inspection.
- Press (1) to receive the next inspection result.

AFTER LISTENING TO THE INSPECTION RESULTS, YOU CAN:

- Get more results on the same permit.
- Get more results on a different permit.
- Return to the Main Menu.

4 OPTION 4 OBTAIN INSPECTION HISTORY BY FAX:

- Enter the Permit Number, followed by the # key. The system will play back the address.
- If correct, press (1) to hear results.
- Then, enter your 10 digit Arizona fax number and wait for the fax.
